

Season's Greetings

FROM

• Senator Bradford •

Dear Friends,

Growing up in Senate District 35 nearly my whole life, I cherish what the community has afforded me and how it has shaped my life as a public servant. This is why, especially during the holiday season, it is essential that we give back. I challenge each and every one of you to join together and help those who are less fortunate and in need. During these times it is extremely important to focus on our blessings, the people we are thankful for, and to dedicate our time serving our community members – which is what this season is truly about.

In this month's newsletter I'll share with you some of the events I participated in throughout Senate District 35 and give a recap on our success. Again, please remember to lend your smile, your time, and your love to those in need to rightfully exude the holiday spirit. I hope all of you have had a fruitful year, and I look forward to what the New Year has in store for us!

HAPPY HOLIDAYS!

Steven Bradford
